SENATE BILL

No. 792

Introduced by Senator Mendoza

February 27, 2015

An act to amend Sections 1597.055 and 1597.54 of, and to add Sections 1596.7995 and 1597.622 to, the Health and Safety Code, relating to day care facilities.

LEGISLATIVE COUNSEL'S DIGEST

SB 792, as amended, Mendoza. Day care facilities: immunizations: exemptions.

Existing law, the California Child Day Care Facilities Act, provides for the licensure and regulation of day care centers, as defined, and family day care homes, as defined, by the State Department of Social Services. A violation of the act is a crime. Existing law requires a child to be immunized prior to admission to a day care center or family day care home. Existing law authorizes an exemption from those provisions for medical reasons or because of personal beliefs, if specified forms are submitted to the day care center or family day care home.

This bill, commencing September 1, 2016, would prohibit a day care center or a family day care home from employing any person who has not been immunized ~~in accordance with the schedule for routine adult immunizations, prescribed by the federal Centers for Disease Control and Prevention~~ *against influenza, pertussis, and measles*. The bill would specify circumstances under which a person would be exempt from the immunization requirement, based on medical safety, current

immunity, ~~or declining the influenza vaccination, or the date upon which he or she was hired,~~ as specified. The bill would make conforming changes to provisions that set forth qualifications for day care center teachers and applicants for licensure as a family day care ~~center~~ home. Because the bill would extend the application of a crime under the act, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.

State-mandated local program: yes.

The people of the State of California do enact as follows:
